Dear FIRST Teams:

McNichols Company is proud to be the supplier of the 2003 FIRST Robotics Competition ramp surface material.

When calling to order wire mesh material, please identify yourself as a "**First Team Member**."

Our McNichols part number used for the "Robotics Plain Steel, Copper Flashed Welded Wire Mesh" is: **#36FIRST148**.

First has arranged for special pricing under this agreement. Please call our toll free number listed below when ordering. This will automatically direct your call to our facility nearest to you. Each team will be responsible for any freight from our branches. We are set up to handle your order with a credit card, please have it handy when calling.

From all of us at McNichols Company, Good Luck during your competition!
